Pablo Cansinos Arqueros

has successfully completed the online Specialization

Management Consulting

This individual has successfully completed 5 courses on management consulting. Their exposure to consulting ranges from the economics of consulting partnerships, to the methodology used by consultants to break down problems. They have the foundational knowledge of projects, clients, data analysis, client interviews, surveys, benchmarks, and several performance improvement tools. Consulting is an apprenticeship and this individual has shown the dedication, curiosity, and grit needed to be a great consultant.
