SUMMARY

International business professional with experience in project management, operations, and client advisory across tech, education, travel, and telecom sectors. Experienced in leading cross-border initiatives, delivering data-driven insights, improving partner performance, and supporting strategic decision-making. Interested in consulting, strategy, and project-driven roles where analytical thinking and business impact are key.

PROFESSIONAL EXPERIENCE

Partner Success Associate | Expedia Group, Prague, Czech Rep. Mar 2025 - Aug 2025

- Managed a portfolio of 180+ hotel partners, providing data-driven performance analysis and strategic recommendations to optimize revenue, pricing strategy, and platform visibility.
- Advised hotel partners on market trends, demand patterns, and digital distribution strategies, helping improve partner performance within the Expedia ecosystem.
- Collaborated with cross-functional teams to implement performance improvement initiatives, aligning partner objectives with platform growth and revenue targets.

International Project Manager | ESIC University, Madrid, Spain Apr 2023 - Mar 2025

- Led the management of international mobility programs (+650 students annually), coordinating multiple stakeholders across partner institutions worldwide.
- Managed European-funded projects and supported international partnership development.
- Organized international programs and events (International Weeks, Private Programs) and represented ESIC at EU conferences and institutional partnership meetings. Erasmus+Regional Meeting (EMEA & AMER)
- Managed mobility programs for 80+ academic and administrative staff across institutions in five continents, overseeing agreements and grant allocation (€130K+).

Project & Commercial Operations Trainee (IT Area) | Orange, Madrid, Spain Nov 2022 - Apr 2023

- Supported transition to an omnichannel sales model through channel management and analytics.
- Optimized CRM processes and testing systems by developing Excel-based databases.
- Liaised between sales management, distributors, and partner outlets serving public and SME clients.

Operations Analyst Trainee | Payflow (YC S21), Madrid, Spain Jan 2021 - Apr 2021

- Set up the customer service and operations department from scratch under VP supervision, creating scalable workflows and support processes.
- Designed a semi-automated WhatsApp communication workflow and led acquisition initiatives, increasing user growth by 170% and boosting app adoption from 18% to 27%.
